**All over everything. Kids all over everything.  
All over everything. Kids all over everything.**

School is out, hear them shout  
Pouring down the rain spout.  
On the chairs, on the stairs  
Kids all over everywheres.

**chorus**

Kids in twos, kids in crews,  
Barefoot kids and kids in shoes,  
Kids in socks, kids in flocks,  
Running all around the blocks.

**chorus**

Climbing walls, throwing balls,  
Dancing up and down the halls,  
Cleaning plates, eating dates,  
Riding by on roller skates.

**chorus**

Climbing trees, skinning knees,  
Buzzing 'round like bumble bees,  
Banging spoons, singing tunes,  
Riding by on toy balloons.

**chorus**

School is out, hear them shout  
Pouring down the rain spout.  
On the chairs, on the stairs  
Kids all over everywheres....

Hungry, hungry, I am hungry  
Table, table, here I come  
I could eat a goose-moose burger  
Fifteen pickles and a purple plum

I could eat three bowls of goulash  
Half a pound of wuzzled wheat  
I could eat a peck of poobers  
Then I'd really get to work and eat!

Oysters, Noodles, Strawberry Strudels  
Frenchfries, fish hash, one red beet  
Lamb chops, wham chops, huckleberry mish-mash  
**OH ...** the things that I could eat!

Doughnuts, Dumplings, Blueberry Bumplings  
Chocolate mash-mush super sweet  
Clam stew, ham stew, watermelon wush-wush  
**OH...** the stuff that I could eat!

Deep dish rhubarb, upside-down cake  
I could eat a frittered flum

Hungry, hungry, I am ***starving!***  
Table, table, table — here I come!

**All my life's a circle, sunrise and sundown  
Moon rolls through the nighttime  
'Til daybreak comes around  
All my life's a circle, still I wonder why  
Seasons spinning 'round again  
Years keep rolling by**

Seems like I've been here before  
I can't remember when  
I get this funny feeling  
We'll all be together again  
No straight lines make up my life  
All my roads have bends  
No clear-cut beginnings  
— so far no dead ends

chorus

I've met you a thousand times  
I guess you've done the same  
Then we lose each other  
It's like a children's game  
Now I find you here again  
The thought runs through my mind  
Our love is like a circle  
— let's go 'round one more time

chorus

There's a monster in my closet; the ghosts are on the wall  
So why do you keep on telling me there's nothing there at all  
I know they're there; it's clear to me; I see them every night  
But all I want is when I'm scared to come and hold me tight

The teacher told a story in my nursery school today  
About a great big monster that came to dance and play  
And as she talked, I knew I wanted...one that I could keep  
But now I have to close my eyes and try to go to sleep

There's a monster in my closet ....

Last night I had a good dream; the sun was shining bright  
My little doll and all my friends went out to fly a kite  
The grass was green; the wind was warm; the flowers all were red  
But now it's hard to think of that 'cause I have to go to bed

There's a monster in my closet ....

You've told me how you hate it, the times I carry on  
And sure I cry when I'm hurt and scared, but not for very long  
But when I think of monsters—and all that other stuff  
My dolly and the bathroom light really aren't enough

There's a monster in my closet ....

So please come and tuck me in; goodnight, I love you, Mom  
And here's a hug and kiss for you and another one for Tom  
I'll try to be a good girl and sleep the whole night through  
But if I wake and start to cry, can I come and sleep with you?

There's a monster in my closet ....

I'm a-roaming and a-rambling and a-wandering along.  
And if you care to listen, I will sing a happy song.  
I will not ask a favor, and I will not ask a fee,  
But if you have yourself a sandwich, won't you give a bite to me?

**Sandwiches are beautiful.**

**Sandwiches are fine.**

**I like sandwiches — I eat them all the time.**

**I eat them for my supper, and**

**I eat them for my lunch.**

**If I had a hundred sandwiches,**

**I'd eat them all at once.**

Once I went to England; I visited the Queen  
She served the smallest sandwiches that I had ever seen  
I told her for a shilling I'd be willing to eat more  
But she handed me the smallest one and threw me out the door!

(chorus)

Once I met an old man. He had a loaf of bread.  
He saw that I had tuna fish. He looked at me and said,  
"Your tuna fish is lonely, and my slice of bread is bare.  
But we could have some sandwiches, if you would care to share."  
And I said...

(chorus)

A sandwich may be egg or cheese or even peanut butter  
But they all taste so good to me, it really doesn't matter.  
Ham or jam or cucumber, any kind will do.  
I like sandwiches. How about you?

(chorus)

If the batter is too thin,  
Throw a wiggly lizard in.  
They won't teach you this in books,  
But witches are the finest cooks.

**We don't need brains;  
We don't need books;  
Witches are the finest cooks!**

**We don't need brains;  
We don't need books;  
Witches are the finest cooks!**

When the night is Halloween,  
Witches can be heard and seen:  
Stirring cauldrons with their brooms  
—Messing up your living rooms!

**We don't need brains;  
We don't need books;  
Witches are the finest cooks!**

**We don't need brains;  
We don't need books;  
Witches are the finest cooks!**

A terrible thing happened last night  
In front of our house and what a sight  
A station wagon turned left and a skunk turned right  
And it's stinking to high heaven

**We got a dead skunk  
in the middle of the road  
Dead skunk in the middle of the road  
We got a dead skunk  
in the middle of the road  
And it's stinking to high heaven**

Zorrillo muerto en el medio del camino  
Zorrillo muerto en el medio del camino  
Zorrillo muerto en el medio del camino  
Y apesta hasta el cielo

Segung mati di tengah jalan  
Segung mati di tengah jalan  
Segung mati di tengah jalan  
Dan baunya sampai kelangit

You talk about your dead cats and talk about dead dogs  
Talk about dead toads and talk about dead frogs  
Talk about dead pigs and talk about dead hogs  
But a dead skunk is not the same — **No, it's not**

Everybody says, "Sit down, sit down."  
Everybody says, "Sit down, sit down."  
But I can't sit down, and I won't sit down.  
My feet are all full of dance - around

**Bump deedle ump bump  
Bump a dee  
Everybody bump a deedle  
Dance with me**

Everybody says, "Be good, be good."  
Everybody says, "Be good, be good."  
If they understood, I'm as good as good  
'Cause dancing around is what I should.

**Bump deedle ump bump  
Bump a dee  
Everybody bump a deedle  
Dance with me**

You can't make a turtle come out  
You can't make a turtle come out  
You can coax him or call him or shake him or shout  
But you can't make a turtle come out, come out,  
You can't make a turtle come out

If he wants to stay in his shell  
If he wants to stay in his shell  
You can knock on the door but you can't ring the bell  
And you can't make a turtle come out, come out,  
You can't make a turtle come out

Be kind to your four-footed friends  
Be kind to your four-footed friends  
A poke makes a turtle retreat at both ends  
And you can't make a turtle come out, come out,  
You can't make a turtle come out

So you'll have to patiently wait  
So you'll have to patiently wait  
And when he gets ready, he'll open the gate  
But you can't make a turtle come out, come out,  
You can't make a turtle come out

And when you forget that he's there  
And when you forget that he's there  
He'll be walking around with his head in the air  
But you can't make a turtle come out, come out,  
You can't make a turtle come out

Hooray for the world; I'm glad to be on it!  
Hooray for the world; I'm glad to be on it!  
Hooray for the world; it's a special place:  
We've got Mother Nature and the human race!

The world's got buffalo, the world's got bees;  
The world's got jellyfish, swimmin' in the seas;  
We got beavers and bears, bats and bugs,  
Miniature poodles and slimy ol' slugs, so

Hooray for the world...

The world's got salami; the world's got cheese;  
We got maple syrup and mulberries;  
We got egg foo young, bagels and lox;  
Corn on the cob, and raisins in a box, so

Hooray for the world...

We got moms and dads, uncles and aunts,  
Brothers, sisters, grandmas and gramps;  
We got neighbors next door, kids down the street;  
Everywhere we go we got new friends to meet, so

Hooray for the world... (twice)

Won't you be my friend, won't you be my friend,  
Hear me, see me, take my hand  
When I see you coming how it makes me smile  
Stay with me, play with me for a little while

Sometimes I'll do what you want me to  
Sometimes you might do things for me  
Sometimes we'll fight and we might not agree  
But you still will be my friend.

***And your friend says....***

Yes, I'll be your friend, yes, I'll be your friend  
I'll hear you, see you, take your hand  
When I see you coming how it makes me smile  
I'll stay with you, play with you for a little while

Sometimes I'll do what you want me to  
Sometimes you might do things for me  
Sometimes we'll fight and we might not agree  
But you still will be my friend

***Yes, I still will be your friend.***

**Somos el barco; somos el mar  
Yo navego en ti; tú navegas en mí  
We are the boat; we are the sea  
I sail in you; you sail in me**

The stream sings it to the river  
The river sings it to the sea  
The sea sings it to the boat  
That carries you and me

chorus

The boat we are sailing in  
Was built by many hands  
The sea we are sailing on  
Touches every sand

chorus

So with our hopes we raise our sails  
To face the wind once more  
And with our hearts we chart the course  
Never sailed before

chorus

**Give me roses in the wintertime  
—when they're hard to find  
Give me roses in the wintertime  
I've got roses on my mind  
Roses are sweet anytime and yet  
Give me roses in the wintertime  
It's so easy to forget.**

Give me love when I'm all alone  
— when it's hard to find  
Give me love when I'm all alone  
I've got love on my mind  
Love is sweet anytime and yet  
Give me love when I'm all alone  
It's so easy to forget.

### **Give me roses....**

Give me peace when there's talk of war  
— when it's hard to find  
Give me peace when there's talk of war  
I've got peace on my mind  
Peace is sweet anytime and yet  
Give me peace when there's talk of war  
It's so easy to forget.

### **Give me roses....**

Everybody cries sometimes  
When the one they wish would stay  
has to go away.

Everybody cries sometimes.

I know the feeling, yes, I do,  
'cause sometimes I cry too.

You may think it's silly to cry,  
a thing that grownups never do.  
You may think that only babies cry,  
But that just isn't true, you know that....

Everybody cries sometimes  
When they've just bumped their head  
or they're all alone in bed.

Everybody cries sometimes.

I know the feeling, yes, I do,  
'cause sometimes I cry too.

Everybody cries sometimes  
When the one they wish would stay  
has to go away.

Everybody cries sometimes.

I know the feeling, yes, I do,  
'cause sometimes I cry too.

A long time ago when the earth was green  
And there were more kinds of animals than you've ever seen,  
And they run around free while the world was bein' born,  
And the loveliest of all was the Unicorn.  
    There was green alligators and long-neck geese.  
    There was humpy bumpy camels and chimpanzees.  
    There was catsandratsandelephants, but sure as you're born,  
    The loveliest of all was the Unicorn.

But the Lord seen some sinnin', and it caused Him pain  
He says, "Stand back, I'm gonna make it rain."  
He says, "Hey Brother Noah, I'll tell ya whatcha do:  
Go and build me a floating zoo.  
    And you take two alligators and a couple of geese,  
    Two humpy bumpy camels and two chimpanzees.  
    Take two catsandratsandelephants, but sure as you're born,  
    Noah, don't forget my Unicorn."

Now Noah was there, and he answered the callin',  
And he finished up the Ark just as the rain started fallin'.  
He marched in the animals two by two,  
And he called out as they went through,  
    "Hey Lord — I got your two alligators and your couple of geese  
    Your humpy bumpy camels and your two chimpanzees.  
    Got your catsandratsandelephants, but Lord, I'm so forlorn  
    'Cause I just don't see no Unicorn."

Ol' Noah looked down through the drivin' rain,  
But the Unicorns were hidin', playin' silly games.  
They were kickin' and splashin' in the misty morn,  
Oh them silly Unicorn.

Then the goat started goatin', and the snake started snakin'.  
The elephant started elephantin', and the boat started shakin'.  
The mouse started squeakin', and the lion started roarin',  
And everyone's aboard but the Unicorn.  
    I mean the green alligators and the long-neck geese.  
    The humpy bumpy camels and the chimpanzees.  
    Noah cried, "Close the door 'cause the rain is pourin'—  
    And we just can't wait for them Unicorn."

Then the Ark started movin', and it drifted with the tide,  
And the Unicorns looked up from the rock and cried.  
And the water come up and sort of floated them away—  
That's why you've never seen a Unicorn to this day.  
    You'll see a lot of alligators and a whole mess of geese.  
    You'll see humpy bumpy camels and lots of chimpanzees.  
    You'll see catsandratsandelephants, but sure as you're born,  
    You're never gonna see no Unicorn.

Oh, I wanna be a dog  
I wanna wag my tail  
Chase cars and knock over garbage cans,  
Bite the lady who brings the mail

Oh, I wanna be a dog  
I wanna drool on the floor  
Get pats on the head, chase cats, get fed,  
Chew your shoes and bark at the door

Oh, I wanna have dog breath  
I wanna learn to growl  
Scratch fleas and ticks, and run after sticks,  
I want the moon to make me howl

Oh, I wanna be a dog  
I wanna sleep on the ground  
Bein' human these days is gettin' too crazy  
I just wanna be a hound

Why can't Mommy take me to the beach?  
Why can't Daddy peel me a peach?  
Why can't Grandma take me to the zoo?  
I'm just a little kid, and there's nothing here to do!

No one wants to play with me:  
**I'm bored, bored, bored.**  
And my little sister Willow is bored too.  
No one wants to play with me:  
**I'm bored, bored, bored.**  
How come everyone but Willow  
has got something else to do?

Where is George, my basset hound?  
When I need him, he's nowhere to be found  
If I had food he'd come running like a fool  
Slobbering all over me with basset hound drool .... **(chorus)**

Why did Hannah have to go to camp?  
Why did Tommy have to have a cramp?  
Why did Eric have to have the mumps?  
It's all their fault that I have got the grumps .... **(chorus)**

All my toys have gone to bed.  
All my books have all been read.  
All my games have all been played.  
I'm stuck with Willow, I'm afraid .... (sigh) **(chorus)**

It's a world of laughter, a world of tears  
It's a world of hopes and a world of fears  
There's so much that we share  
That it's time we're aware  
**It's a small world after all**

*It's a small world after all*  
*It's a small world after all*  
*It's a small world after all*  
*It's a small, small world*

There is just one moon and one golden sun  
And a smile means friendship to everyone  
Though the mountains divide  
And the oceans are wide  
**It's a small world after all**

*It's a small world after all*  
*It's a small world after all*  
*It's a small world after all*  
*It's a small, small world*

***Oh, I love trash  
Anything dirty or dingy or dusty  
Anything ragged or rotten or rusty  
Oh, I love trash.***

I have here a sneaker that's tattered and worn  
It's all full of holes and the laces are torn  
A gift from my mother the day I was born  
I love it because it's trash.

*chorus*

I have here some newspaper 13 months old  
I've wrapped fish inside it, it's smelly and cold  
But I wouldn't trade it for a big pot of gold  
I love it because it's trash.

*chorus*

I've a clock that won't work and an old telephone  
A broken umbrella, a rusty trombone  
And I am delighted to call them my own  
I love them because they're trash.

*chorus*

We're gonna let first grade out early today,  
Which made little Mickey kinda blue  
'Cause he just turned seven years old today  
And he thought he'd get a party at school.  
He's walked on home, and he's taken off his guard;  
There's chairs and tables all over the yard.  
And his friends jump up and they holler real hard,  
**"HAPPY BIRTHDAY TO YOU!"**

It makes me think of the good old days:  
**Happy Birthday to you!**  
You sure grew out of your baby ways:  
**Happy Birthday to you!**

7th (22nd, 92nd) birthday, we wish you many more:  
Health and wealth and friends by the score.  
So cut the cake and let's eat some more:  
**Happy Birthday to you!**

Mick's 22 now, and he's workin' for his pop,  
And his head's full of business through and through.  
They were putting in a whole new system at the shop,  
And he forgot he had a birthday due.  
He gets back home and he's taken off his guard...

(chorus)

Now it's old man Michael in a rocking chair,  
Ad-miring the view.  
He's still got all his teeth, and he's still got all his hair,  
And today he's 92.  
He turns in his seat, and he's taken off his guard...

(chorus)

***HAPPY BIRTHDAY TO YOU!***

I'm gonna tell  
I'm gonna tell  
I'm gonna holler, and I'm gonna yell  
I'll get you in trouble for **everything** you do  
I'm gonna tell on **you**

I'll tell your mother you pulled my hair  
I'll tell Uncle John you stole his underwear  
I'll tell the policeman you don't go to school  
If that doesn't work, I'll say **you're** a fool

I'm gonna tell  
I'm gonna tell  
I'm gonna holler, and I'm gonna yell  
I'll get you in trouble for **everything** you do  
I'm gonna tell on **you**

I'll tell your father you punched me in the eye  
I'll tell Aunt Sally you ate her apple pie

I'm gonna tell  
I'm gonna tell  
I'm gonna holler, and I'm gonna yell  
I'll get you in trouble for **everything** you do  
I'm gonna tell on **you**

Sometimes people get **bossy**  
They **yell** at you and tell you what to do  
Some people even **hit**  
And try to make you do things  
you don't want to do...

Well you may be **angry** and you may be **mad**  
And you may be feeling **mean** and **sad**  
And you want to **hit** and **bite** and **hurt**  
And knock me **down** in the **rocks** and **dirt**

But I **hold** up my hand, and I say

STOP

You can't **hurt** me, but you can **yell** a lot!

I don't like you.  
I don't like you.

I know an old lady who swallowed a fly  
I don't know **why** she swallowed the **fly**  
Perhaps she'll die.

I know an old lady who swallowed a spider  
That **wriggled** and **jiggled** and **tickled** inside her  
She swallowed the spider to catch the fly  
I don't know why she swallowed the fly  
Perhaps she'll die.

I know an old lady who swallowed a bird  
How **absurd** to swallow a **bird**  
She swallowed the bird to catch the spider  
That wriggled and jiggled and tickled inside her  
She swallowed the spider to catch the fly  
I don't know why she swallowed the fly  
Perhaps she'll die.

I know an old lady who swallowed a cat  
Fancy **that** — to swallow a **cat**  
She swallowed the cat to catch the bird ....

I know an old lady who swallowed a dog  
What a **hog** — to swallow a **dog**  
She swallowed the dog to catch the cat ....

I know an old lady who swallowed a goat  
She just opened her **throat** and swallowed the **goat**  
She swallowed the goat to catch the dog....

I know an old lady who swallowed a cow  
I don't know **how** she swallowed the **cow**  
She swallowed the cow to catch the goat....

I know an old lady who swallowed a horse  
She's **dead** — **of course!**

Well, I've sung this song, but I'll sing it again  
Of the people I've met and the places I've been,  
Some of the troubles that have bothered my mind  
And a lot of good people that I've left behind, singing

**So long, it's been good to know ya,  
So long, it's been good to know ya,  
So long, it's been good to know ya,  
It's a long time since I've been home,  
And I've got to be driftin' along.**

I went to your family, I asked them for you.  
They all said "Take her, oh take her please do:  
She can't cook or sew, won't scrub your floor,"  
So I put on my coat and tiptoed out the door, singing

**So long, it's been good to know ya...**

The telephone rang and it jumped off the wall.  
That was the preacher, a-makin' his call.  
He said, "Kind friends, this may be the end,  
This may be your last chance for salvation from sin."

Well, the church it was jammed and the church it was packed.  
The pews were so crowded from the front to the back  
That the preacher could not read a word of his text,  
So he took off his specs, took up the collection, and said

**So long, it's been good to know ya...**

We talked of the end of the world and then  
We'd sing a song and then sing it again,  
Sit for an hour and not say a word  
And then these words were heard:

**So long, it's been good to know ya...**

Puff, the magic dragon, lived by the sea  
And frolicked in the autumn mist in a land called Hannah Lee  
Little Jackie Paper loved that rascal Puff  
And brought him strings and sealing wax and other fancy stuff

Together they would travel on a boat with billowed sail  
Jackie kept a lookout perched on Puff's gigantic tail  
Noble kings and princes would bow whene'er they came  
Pirate ships would lower their flags when Puff roared out his name, Oh...

Puff, the magic dragon, lived by the sea  
And frolicked in the autumn mist in a land called Hannah Lee  
Puff, the magic dragon, lived by the sea  
And frolicked in the autumn mist in a land called Hannah Lee

Dragons live forever, but not so little boys  
Painted wings and giant rings make way for other toys  
One grey night it happened: Jackie Paper came no more  
And Puff that mighty dragon sadly ceased his fearless roar

His head was bent in sorrow, green scales fell like rain  
Puff no longer went to play along the cherry lane  
Without his lifelong friend, Puff could not be brave  
So Puff that mighty dragon sadly slipped into his cave

Puff, the magic dragon, lived by the sea  
And frolicked in the autumn mist in a land called Hannah Lee  
Puff, the magic dragon, lived by the sea  
And frolicked in the autumn mist in a land called Hannah Lee

Sing me a rainbow, paint me a dream,  
Show me a world that I've never seen.

Whisper a sunset, and when you do,  
You'll know how I feel  
You'll know how I feel  
You'll know how I feel  
When I'm with you.

You walked in my life on such an ordinary day  
But it's been extraordinary since you came my way  
There's nothing in the world that I can't do  
As long as you continue to....

Sing me a rainbow, paint me a dream,  
Show me a world that I've never seen.

Whisper a sunset, and when you do,  
You'll know how I feel  
You'll know how I feel  
You'll know how I feel  
When I'm with you.

You brought something special to a life that was so plain  
The feelings that you turn me on to I just can't explain  
There's something happens when I'm near you  
And I just can't wait to hear you....

If I was a fuzzy wuzzy **bear**

I'd thank you for my great big **hair**

And if I was a **crocodile**

I'd thank you for my great big **smile**

And if I was an **elephant**

I'd thank you for my great big **trunk**

But I just want to thank you

for making me **me, me,** and only **me**

.....

Si yo fuera un **oso** peludo

Te daría las gracias por mi **pelo** tan grande

Y si yo fuera un **cocodrilo**

Te daría las gracias por mi **sonrisa** grande

Y si yo fuera un **elefante**

Te daría las gracias por mi **trompa** gigante

Pero yo te doy las gracias

porque yo soy **yo, yo,** y solo **yo**

**Love is something, if you give it away,  
Give it away, give it away  
Love is something, if you give it away,  
You end up having more**

It's just like a magic penny  
Hold it tight, and you won't have any  
Lend it, spend it, and you'll have so many  
They'll roll all over the floor, for

**Love is something....**

Money's dandy and we like to use it  
But love is better if you don't refuse it  
It's a treasure and you'll never lose it  
Unless you lock up your door, for

**Amor es algo, si lo das y lo das  
Lo das y lo das, lo das y lo das  
Amor es algo, si lo das y lo das  
Por fin tú tienes más.**

Es como una moneda encantada,  
La aprietas mucho y no tienes nada.  
Préstala, gástala, tú tendrás tanto  
Se te soltarán por dondequiera— ¡de veras!

**Amor es algo....**

Dinero es bueno y nos gusta gastar  
Amor es mejor, hay que no olvidar  
Es un tesoro que no nos va a dejar  
—a menos que cerramos la puerta— ¡alerta!

**Love is something....**

So let's go dancing till the break of day  
And if there's a piper, then he can pay,  
For love is something, if you give it away,  
You end up having more.

**Love is something....**

***Inch by inch, row by row,  
Gonna make this garden grow  
Gonna mulch it deep and low,  
Gonna make it fertile ground.  
Inch by inch, row by row,  
Please bless these seeds I sow,  
Please keep them safe below,  
Till the rains come tumbling down.***

Pulling weeds, picking stones,  
We are made of dreams and bones.  
I need a place to call my own  
For my time is close at hand.  
Drain for grain, sun and rain,  
Find my way in Nature's chain,  
Tune my body and my brain  
to the music of the land.

***Inch by inch...***

Plant your rows straight and long,  
Season with a prayer and song.  
Mother Earth will make you strong  
If you give her loving care.  
Old crow watching from a tree,  
He's got his hungry eye on me.  
In my garden I'm as free  
As that feathered thief up there.

***Inch by inch...***

I have hands.....*I have hands,*  
such beautiful hands.....such beautiful hands,

***Oh, what a miracle am I***

I have feet.....I have feet,  
such beautiful feet.....such beautiful feet,

***Oh, what a miracle am I***

chorus:

***Oh, what a miracle,  
Oh, what a miracle,  
in every little part of me.***

***I'm something special,  
so very special.***

***There ain't nobody quite like me***

.....

I have eyes...

I have ears...

I have arms...

I have hair...
